### About CLIC Sargent

Every day 10 children and young people are told they have cancer. CLIC Sargent provides clinical, practical and emotional support to help them cope with cancer and get the most out of life. We are there from the moment they are diagnosed and help the whole family deal with the impact of cancer and its treatment.

### Collecting your sponsorship money

- Remember – make sure you only get sponsored and collect money from people you know and trust.
- Ensure children are supervised and don't collect money from strangers.
- Please keep this form safe and return it with the money you've raised to the adult who organised your event – your teacher or group leader.
