

YOUNG CANCER PATIENT TRAVEL FUND

We know #cancercosts. Young cancer patients pay £180 extra a month to travel an average of 60 miles to and from hospital for treatment. We call on the Secretary of State for Health and Social Care to create a travel fund for children and young people with cancer, so they don't have to worry about mounting travel costs.

* By leaving your email address you're signing up to be a CLIC Sargent campaigner. We'll keep you updated on our campaigning work and ways to fight for change. You can find out more about how we process your personal information by visiting clicsargent.org.uk/privacy-policy

You can update your preferences at any time by calling us on **0300 330 0803** or by emailing supporter.services@clicsargent.org.uk
