

CAN YOU GUESS MY FINISH TIME?

HOW TO PLAY

- Enter your name and the event you are taking part in overleaf
- Ask your friends to pay a small donation to take a guess at your finish time – £2.50 per guess would raise more than £175
- Sponsors write their name and guess in one of the squares in the grid
- After your event, the sponsor whose guess is closest to your actual finish time wins a prize
- The prize could be a percentage of the donations, a prize donated from a local business or something you've purchased yourself. Remember to be upfront about the prize from the start
- Send the donations in to us and then add the amount raised to your fundraising total.

HOW YOUR MONEY HELPS

Today 11 children and young people will hear the devastating news they have cancer. CLIC Sargent provides clinical, practical and emotional support to help them cope with cancer and get the most out of life.

HERE'S HOW YOUR DONATION, LARGE OR SMALL, COULD MAKE A REAL DIFFERENCE.

- £4 could pay for a CLIC Sargent storybook that explains childhood cancer to children in simple, easy to understand language
- £15 could pay for a copy of CLIC Sargent's DVD to help bereaved families understand and cope with their grief
- £46 could pay for a CLIC Sargent Social Worker to be there soon after diagnosis, giving a family one-to-one support
- £170 could pay for a CLIC Sargent grant to help stop cancer costs spiralling.

Registered charity number 1107328 and registered in Scotland (SC039857). 17175
