

GRAND NATIONAL SWEEPSTAKE

How to run your Grand National sweepstake:

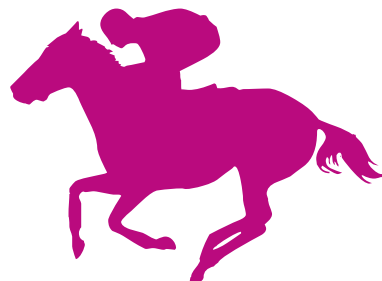

1. When the horses names have been released fill them in the space below
2. Cut out the horses' names below and ask players to draw one at random in return for a suggested donation of £1, £2 or £5
3. On the second page, write the name of the player next to their horse's name
4. If a horse is withdrawn, play with the reserve horse that takes its place
5. After the race, a suggested 50% of the pot goes to CLIC Sargent and the rest is split amongst the winners. Or you can provide prizes to the winners and donate all funds raised to CLIC Sargent
