PANCAKE DAY

- Invite your friends over for a **pancake party**. Charge for entry and serve up some stacks of sweet and savoury pancakes.
- Hold a **pancake eating contest** at work or have a **pancake station** for people to make their own weird and wonderful combinations for a donation.

ST PATRICK'S DAY

- Hold a **dress down day** at work asking your colleagues to dress in green. Add some Shamrock streamers for good luck and you could raise a fortune!
- Hold a **green-themed cake and sweet sale** with a prize for the most delicious cake.

MOTHER'S DAY

- **Set up a flower stall**, selling beautiful bouquets for your friends, family and work colleagues to buy for their Mums.
- **Hold a Mother's Day themed raffle** and ask local businesses to donate gifts and experiences. Get in touch with us for support in organising your raffle and refer to our safe fundraising guidelines. Search 'CLIC Sargent Safe Fundraising' online.

CELEBRATE SPRING

- It's time for a fresh start! Encourage staff and customers to do a **Spring clean** to get rid of unwanted presents and donate them towards a raffle.
- Host an **Afternoon Tea** for colleagues selling tickets in advance. You could ask colleagues to get involved by making sandwiches, cakes and scones.
- Why not hold a Eurovision party and do your own sweepstake?

EASTER

- A fun way to fundraise is to hold an **Easter Egg Hunt**. You could do this at home or in your workplace. Sell tickets ahead of time to ensure you have enough supplies and provide a prize for the person who collects the most eggs.
- For a family friendly fundraiser, why not hold a **colouring competition**, charging £1 per entry. You can download our spring templates on our website: You can download our spring templates via our website or search 'CLIC Sargent Fundraising Materials' online.
- Fill a jar with mini eggs and ask your friends and colleagues to pay £1 to **guess the number of eggs** in the jar – closest guess wins all the eggs! Yum!
- Be brave – hard boil one out of every dozen eggs and ask your boss or colleagues to sit on chairs, asking people to pay £1 to **crack an egg on their head**. If the egg is hard boiled they win a sweet treat.
